

# Assessing Perceptions and Preferences around Long-acting Injectables (APPLI)

## DCE Client characteristics

**Table 1: Client characteristics by DCE completion status**

	Completed DCE & matched in e-SHARE		Completed DCE & matched in e-SHARE
n	198	Below 50%	10 (5.1)
Age (median [IQR])	55.5 [42.2, 63.0]	50-69%	5 (2.5)
Age group (%)		70-89%	8 (4.0)
18-29	14 (7.1)	90-94%	16 (8.1)
30-39	33 (16.7)	95-99%	8 (4.0)
40-49	27 (13.6)	100%	151 (76.3)
50-59	50 (25.3)	NA	0 (0.0)
60+	74 (37.4)	Depression or Anxiety Disorder (%)	88 (44.4)
NA	0 (0.0)	Psychosis or Bipolar Disorder (%)	32 (16.2)
Self-reported Gender (%)		Post-Traumatic Stress Disorder (%)	19 (9.6)
Cisgender Man	117 (59.1)	Other Psychiatric Diagnosis (%)	9 (4.5)
Cisgender Woman	79 (39.9)	Recent Drug Use (%)	21 (10.6)
Transgender/Gender Non-Conforming	2 (1.0)	Viral Suppression Status (%)	
Unknown/Missing	0 (0.0)	Suppressed	86 (43.4)
Sexual Identity (%)		Unsuppressed	26 (13.1)
Homosexual, bisexual, pansexual, or queer	50 (25.3)	NA	86 (43.4)
Straight/heterosexual	147 (74.2)	CD4 Category (%)	
Unknown/Missing	1 (0.5)	<200	20 (10.1)
Highest level of schooling completed (%)		200-349	19 (9.6)
High School/GED or lower	137 (69.2)	350-499	15 (7.6)
Greater than High School/GED	60 (30.3)	500+	57 (28.8)
NA	1 (0.5)	NA	87 (43.9)
Employment Status (%)		Time since HIV diagnosis (median [IQR])	22.3 [16.2, 27.8]
Full or part time (paid employment)	75 (37.9)	Race/Ethnicity (%)	
No paid employment	86 (43.4)	Asian/Pacific Islander	0 (0.0)
Out of workforce	36 (18.2)	Black	95 (48.0)
NA	1 (0.5)	Hispanic	88 (44.4)
Housing Status (%)		White	9 (4.5)
Unstably Housed or Homeless	20 (10.1)	Other/Mixed Race	6 (3.0)
Stably Housed	178 (89.9)	Unknown/Declined	0 (0.0)
NA	0 (0.0)	Time since MCM enrollment (months) (median [IQR])	31.2 [12.0, 45.6]

3 DCE records were not able to be matched with e-SHARE records

Abbreviations: DCE = discrete choice experiment; CCP = care coordination program (in New York City); MCM = medical case management (in Rockland and Westchester county); GED = general education diploma; IQR = interquartile range; ART = antiretroviral therapy
